First you hear  
thought about why  
"We" almost died  
"Do" ?

And then why  
"We" almost  
didn't "Do" ?

You probably have  
not because that  
is only natural

Let's say  
"Delicious!" "Delicious!"  
without thinking about  
it because . . . it smells  
just right.

It is only later  
that "De" will  
come after "De"

Just like  
old times

April ... it's  
so hot and  
it's only  
April

I really wonder  
why I am doing  
this part time  
job!!

Jeong-han, I  
Customers are here!

Yes!

Do I have to  
wear this?

Yes

What would  
you like?

Yeah ~,  
I want you  
Eun-Che,  
right?  
Ohh Eun-Che

I breath water  
instead of fire  
Are you happy  
now, boy ?

You brat !

Even Gyo, are  
you alright ?

Are you  
strong ?  
You wanna  
die ?

Let's see  
what  
grand  
die !

PLEASE!

Please stay in

8 months later...

Please  
Release me ~

The many lost  
strings in my  
hand ~

I am unable  
to do anything ~

Please ~

Make me  
a fool ~

Please make  
me a fool ~

So that I won't know  
the meaning of  
tears, or that I won't  
know the meaning  
of your lies ~

Maybe --  
like -- a friend --

It's him

That's  
him.

The one you thought  
of the amusement park  
in death."

The one you said  
you'd kill and send  
his bones."

That's

It is --  
unfair to  
have given you  
my heart --  
I cannot stop  
thinking  
about you --

It's inside meant  
to see him here.

And he is the  
blood vessel?

Shin, Eun Gyo in Wonderland

안하를 만나는 권여나 소설

도령미와

Struggling to death by debt was once a popular method for suicide.

My rank was in debtless!

Okay, okay, you don't have to keep repeating.

So what? He doesn't know that you were in that danger.

But the first impression of me would be my rank being pretty in debtless!

Are you interested in him?

MD!

Break-  
ing out

Yes,  
Jerry likes.

Yes?

What's the water  
noise?

Our new neighbor  
gave it to us.

And the  
plate?

The watermelon  
was in it.

How could I return  
the plate to them?

Can't  
you go?

I can help!

Wow...

What's the  
new neighbor?

Yes?

I heard a pretty  
girl lives there.

So?

I can do the  
trick!

What is Jerry wants  
to clean them?

Yeah?

Good thing.  
Clean the  
front door.

That pig I  
wrote

Ugh, I don't  
have a girlfriend

You want to  
pretty popular  
then, don't don't  
just give gifts  
to other guy

I am not interested  
in them. They gave  
me stuff and I  
simply accepted  
them. My only  
interest is  
music.

## 작가의 말

안녕하세요. 이경하입니다. (스\_시)

꽤 오랜만에 나오는 책이군요 (T-T)

내지를 그린 후 표지를 그리기까지의 기간이 길어져서  
그림이 어색하게 보이지 않을까 걱정이 됩니다.

2006년에 <OY>를 완결내고 바로 이 책을 시작해서  
2년 가까이 작업을 하고 있는데, 중간에 문제가 생겨서  
원고가 중단 되었다, 다시 시작되었다를

반복하는 바람에 이렇게나 책이 늦어졌습니다.

개인적으로는 만화 외적인 부분들에서 많이 하고

느려서 되었기 때문에 꽤 지루한 기간이었지만

결과적으로는 새로운 다짐들을 하게 되어서 좋았다고 생각합니다.

물론 아껴도 고면 중이지만, 앞으로는 더욱 즐겁고  
 열심히 만화를 그릴 수 있도록 하겠습니다.  
 그러면, 분명 모든 사람들에게도 전달 될 거라고 생각합니다  
 앞으로 더 열심히 하겠습니다.  
 그림, 말만 예뻐보여도 훌륭한 캐릭터만,  
 지금은 이것 이상은 보여드릴 수가 없는 게 안타깝습니다.  
 머리에 있다면 원작의 결문들도, 만화로 색을 곁하는 분들도  
 그제 원화계란 즐겨 주셨으면~.

■ 내지 만화 작업에 온 걸 환영, 수고했어요! <A>

Why... huh

What about it?

What...  
Aren't you  
going to help  
him?

Why?

Why?

You just walk  
away?

Yeah,  
why?

Forget it!  
My "HEY!"

You two don't  
over there -  
Just what do  
you think you  
are doing?

??

Do you feel bad when  
you bully small ones?

What the hell is  
that bitch wandering  
about?

Uu... That's  
Shin. Kim Gyu  
Let's just go

Part 3

외로워도 슬퍼도 나는 안 울어

*(can't cry even if I am*

*lonely and*

The secret I  
I still remember  
really ...

Doesn't matter, I try  
to forget, I simply  
forget ...

I am leaving.  
Go with.

What? I  
You mean  
me now, do  
whatever  
you want?!

That little is  
enough. She won't  
do easily.

Well, pretty much  
you are. That's true.  
I thought she was  
your friend?!

I should have  
never looked  
off his face...  
his expression...

A friend...?

I don't know  
that bitch.

*I should have  
never looked at  
his face ...*

When I was done  
with the part time  
job, I had nothing  
left.

After getting off  
a car, I was heading  
to home, then I saw  
someone with a  
green umbrella.

It was like  
him. Like with  
a green umbrella.

Why don't  
you ask  
me ?

Ask  
what ?

Why I rushed  
off earlier

You said, I don't  
want to ask that  
kind of stuff

I said I don't  
ask ?

You, you  
don't ask.

I don't ask  
I never ask.  
Asking others  
will be easier  
than seeing  
my tears.

What if ...  
I make you  
ask ?

What?

I will make you  
regret in 100 days.

What deal?

I will grant your wish.  
If you do any thing  
you will do anything  
I wish.

Good.  
You've got yourself  
a deal?

You are to going  
to die.  
This time again?

Okay

It's time to go...

Look! who is here  
It's Yun Jung  
again!

What's that?

The one that Yun  
Jung asked us to  
find the crop out  
of

Ahhh, that  
book!

Ahhh, it's you!  
Long time no see!

Hey, let's see where  
we first go, get  
my book?

When I started to  
leave Yoko, I was  
complaining  
to, Jin Qingling told me,  
"Think as if the teacher  
are here, yig!"

You seem to walk well!  
Are you still living in  
the same place?

You have quite  
I must say  
being are you  
here again?

Well, I didn't  
like that "yig"  
part.

But I was able  
to go on because  
of what he said.

Let me tell your  
husb. If you are fully  
baked, cannot go for  
another round, huh?

... Huh?

Kkyaaaaack !

Ah ...

Ahhhh !

What? What the hell  
did you just do to

What the hell up, bitch?  
Come on, time for you to  
return your things.

Are you okay?!

I've been waiting  
for this moment.  
wahahaha !

*if you keep acting like that,  
you will get what you  
deserve one day !*

*Do you ever rest and not  
just speak your dad words ?*

*I would rather be  
a loser than having  
to play with a dad  
and become a dad  
myself!*

Part 4

5년의 우정이었는데...

● *이제야 알게 된 것들* ●

Let go of me!

I didn't know what he was told, but he started to drag me. I shouted loud but he kept going on.

When that he got taller than me, he almost starts hitting me out of all segments. He finally let go of me all times.

That hurt, perhaps? Isnt the hell is the matter with you?

What? Don't hang out with that guy!

That guy? Isnt?

In the end, he  
didn't tell me  
anything and  
went off chasing  
the girl

Even if I don't want  
to being around ,  
I still have to carry  
his guitar anyway.

You came.  
You came.

What was  
up with your  
brother?

He said

Thank you. Let's go

How long  
going -

Chapter 8

Soft and  
charming voice,  
and gentle  
maturity...

His resembles  
an angel when  
he is singing...

Could he... have  
really loved  
such a dead P?

... You are  
really weird.

"You are weird" in Korean can sound like "your teeth are dead"

*After that night,  
we avoided each  
other countless  
times.*

*But we pretended  
that we didn't  
know every time.*

*Don't you wonder  
glens at our walls  
could open them  
down the fence.*

Oh, what four  
days left  
until I can  
finally stop  
carrying his  
guilt

And how many  
days left for  
the rest of his  
life ... ?

How you are working  
hardly ! And you didn't  
even come home  
last night !

You had drinks  
with those kids,  
didn't you ?

Hey, Yoo Jeong Woon,  
wait!

HEY!

His voice became  
clear, and he  
kept on calling  
me. *Minah!*  
I had to keep  
running!

What if he tells  
me I'll almost want  
to stay on my very  
day.

After that...  
she didn't want  
to go back to  
my class?

...right?

...right?

It's been  
not that long  
since, after  
all, Yoo  
Jung-ho.

You forgot too !!  
You don't even have any  
right to say such a thing  
It was you who broke our  
friendship by the cruelest  
way possible !

You broke it !

Forgive !!  
Forgive what ?  
Don't say that  
ever again !  
I won't hold back  
this time !

Yeah ?  
Don't hold  
back !

*Friendship ?  
Yeah, right !  
So , you turned in  
your friend's father  
to the police ?  
Is that how you  
treat your friends ?*

During those 7  
years he's going  
on 7'

It lasted 7 years  
During that 7 years  
I thought that he was  
my best friend ever

On my birthday  
He called me out for  
a birthday party and  
treat me  
When I was all broken  
up and crying He was  
laughing at me

Stop what  
are you  
doing ?

쿠당탕탕-

They are really  
going at it !  
Somebody !  
Stop them !

Yoshi...

It's alright now ...  
You are, are ...  
Let it out ...

I didn't know ...  
I didn't know it  
was his father ...

The car ... let's not  
let a child and  
just run away ...  
The kid was in  
going ...

You did the  
right thing  
You did only  
the right thing ...

Stupid ...

I felt like killing  
myself ...  
The girl who was  
brought ...  
hurt me ...  
That was fine ...

But his  
apartment ...  
It just kept  
on coming  
back to me

He was a friend  
when he took me  
wherever I was  
sick and looked after  
me for many years.

Yet, he was  
there, laughing  
at me when  
I was broken up.

Now whenever I think  
about him, that face  
of his comes back to  
me. I don't want to  
think about that face,  
but it just ... just  
keeps coming back  
to me ...

I miss the old days  
... where the life  
would make different  
from ...  
I miss the old days  
it's driving me  
driving...

being here,  
come on, can  
you stand it?

I see this ...  
I see what  
stands?

Part 5

네 남자친구, 내 여자친구

You boyfriend, my girlfriend

Trying to get  
out of the crowd

Pa -

What are  
you doing?

Did you drink ?

You did earlier, too...

Don't you  
have a watch ?  
Do you know what  
time it is ?  
Is this what you've  
been doing  
every night ?

You don't have any  
right to tell me  
what to do and  
what not to do !

I am sorry  
Even so, why is  
it that it's always  
me who turns out  
to be a fool?

Kang, Han Min  
and Yoo Ji Young  
and even you ...

They always  
make me a fool ...  
why ... why ...

Something  
is bothering  
you greatly,  
right? That's  
why you are  
crying like  
this.

Yes, there is, don't I  
I am sorry I am so  
so so so so sorry!!!!!!

What?

Just making  
out at night.  
Stop making  
around at night.  
That's all.

winning at  
social, watches.

Shin Kato says

... it's really  
hard for me  
right now

Oh, um...

I said it, Ryouma.  
I said it!

XXX

Will you be  
my boyfriend?

Ahhh...

You? Okay, fine.  
I didn't expect  
you to say you  
wanted.

Indeed, I want  
you to become  
my girlfriend.

What...? Oh, you  
and the girl from  
the amusement pa-  
re, your neighbor  
decided to be  
a couple?

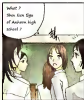

That.

That's congratulations!

This is probably the best  
thing that has happened  
to you during  
your 24 years  
of life.

You are  
hugging me!

Part 6

아직은 우정이 먼저

Friendship comes first still

Oh, it's you.

You know  
her?

We came from the  
same elementary  
and middle school.  
By the way, do you  
remember the  
note girl from  
middle school?

What?

The girl found  
She was the  
exact same blue  
eye color. The  
same the same  
color.

Maybe  
her.

Takumi is her  
trying to do  
same - ?

She transferred to this area  
recently. She's in a class of  
sevens I know, so I brought  
her here today.

Takumi?

Let me  
introduce  
her to you.

What.  
I have  
a girl now.

I understand that  
you are quite  
hot-blooded, but  
don't do that to  
Hui-hui.

Hong Hui then placed  
his arm on Lin Jie's  
shoulder and went  
off.

We learned not to  
worry about what  
he says off.

You are really  
helpless ...

I will be here  
for as long as ...

Love you so. ♡

Today and I  
strong like ...

It's a little better

It's a little better

It's a little better

It's a little better

It's a little better

Thanks Oppa.

The guy I love  
before ...

I am going to miss you

Don't think my hair, I haven't washed!

It's alright

I should have washed earlier but I'm nervous

I am nervous

Thank I Okay, as you will be busy for a while. Let's not when you are not busy then.

See you later and please pick up the phone when I call you

Goodbye!  
Byebye!

She is a proper girl like her brother

Yun is Gwang!

I have to tell her ..

... that he is  
so painful that  
I can't tell  
him ...

Later night

When I want  
to call to water  
plants, I saw  
something ...

It says "I am sorry"

... Finally ...

Doing the gay  
thing, huh ...  
Gee ... but my  
major is not that  
easy to read.

uhh ...  
I can't stop  
smiling ...

About 3 years ago,  
you were carried here  
after being beaten up  
by a bunch of girls  
of your age.

It's always the same people  
who end up here.  
Come on. "Blood on your  
hand hasn't even dried yet."

People die when  
blood on their  
hand dries

What?

*I will revenge  
for you*

*What?*

*It's alright that you  
were broken up  
I will revenge for  
you. I will give them  
all kinds  
more heading*

*Revenge? Haha ...*

*To whom?*

*Like that night? I  
don't know. You  
would do that  
to Kang Ha? huh?*

*It's alright  
I will deny the  
burden by myself*

*Revenge ... you  
can't do it  
It's stronger  
than you*

Nothing at all.  
I don't care.  
Now tell me...  
What did it do for you ?

The justice, like you ...

And you like the  
person, back you  
You probably like  
him more than you  
like me...

Can you still do it ?  
Can you still look  
him up in front of  
me ?

Can you ... really  
make him stop  
harm ?

P a r t 7

얼마나 소중한지 기억하니?

Do you remember how precious it was?

Some letter, my parents  
rushed into the police station,  
and I was literally dragged  
out of the place

At home, my sister, sister,  
brother stopped my father  
from throwing me, so  
I returned somehow

Before falling asleep,  
I recalled what  
Eun Gye and I had  
at the police station.

After a long silence,  
he told me, "I will like  
you more. I will try to  
like you more as the  
future when I do, tell  
me what it is?"

On that night, I had  
a dream  
I was fighting with  
King Haru's letter.  
I was as a dragon,  
and he was  
an angel

He...  
Don't give self  
understand  
if he sees  
this :

that little is  
not an angel,  
and i am not  
a bad dragon  
...

He ... ?  
He ... !!

Shinnarrrrr !

Muwahahahahahaha !

what ... ?

I win!  
Look at the trophy!

I am gonna tell  
this and my  
Sister & mother!

What...?  
That is meant  
to be kept!

It's mine!  
I will do whatever  
I want to do with it!  
Good for you though  
because parents are  
happy that I won!

If you get calls  
from girls tell  
them that I am  
not home!  
I don't want  
anyone else!

Are you  
sure...  
completely

I wanted to  
tell her that  
she had a  
boyfriend...

But when I went  
to the living room,  
my parents were  
really mad but  
rejoice at me...  
so I decided to  
deliver the secret  
letter and told her.

I was supposed  
to meet up with  
Masaki.

Excuse me...

Then, suddenly  
a stranger  
approached me.

Oh well...  
She's got  
blue hair...

Do you know where an approx-  
imated Shin Eon Gyu lives?

...I do, why?

Yes?

What's up  
with that girl?  
Why is she looking  
for Shin Gyu?

Oh, that's great.  
Her hair looks just  
like several decades,  
but I am not here  
around here, so I can't  
find

If you don't mind,  
could you please see  
where her house is?

So, this is  
the girl  
King the  
hair is long,  
I bet

You want to go  
there, but you called  
the girl, so I  
can't see your face.

Okay,  
I'll see you.

Really?  
I'll  
thank you

Oh, yes,  
sure

It was because  
I was told that  
he was single ...

His father must  
have been warning  
them. You can  
tell Kim, Cye when  
you see him.

He ... it's alright.

I don't think ...  
I won't let you  
leave now.

It won't work  
no matter what  
you do,  
Kang Hui Yoon.

Thanks for  
everything, Cye!

Okay ...

I will wait around  
until Kim, Cye  
shows up over  
you. I will show  
you wrong.

For over a week  
since the accident,  
I've been in the  
probable place with  
Sam Ojo.

His face wouldn't  
do anything, probably,  
so he continuously

Yeah, I  
They were the  
girls who had been  
up 10 years ago !

I think they called  
that before, before  
they came here.

It takes 1 gal of fuel to travel 100 mi. How far can you travel on 10 gal of fuel?

That feeling lasted  
to this day, too.

I told you to leave  
Eun-Che alone

It would have been  
easier to just  
graze your eyes  
and if you didn't  
want to see him  
with me.

... You've grown  
certainly  
You used to be  
able to rely only  
with me ...

You don't know, or  
at least you remember  
the old days and how  
previous we were  
to each other

This is the  
last evening.  
Do not see  
him again.

But what has  
gotten between  
us now?

Why are you looking  
such a face always?

Remember me.

Okay, that's  
enough !

I am going to  
kill you this time.

It felt as if as Guang  
was going everything  
he had in him. After all,  
he couldn't sleep for  
days after he heard  
the full story from me  
2 years ago.

They were punching  
back and forth for  
a while.  
The fight ended when  
Hu was finished.

Get up !  
It's not over !

Guang  
stop

May I - uh - ?

I got pissed at you and  
threw the phone off!  
When I threw it on, I got  
a voice mail from your  
friend!  
Are you hurt?

Um... yeah,  
I am fine.

What's that?  
I lost the  
thing strap  
out of Kang  
Ho...

...? Kang Ho?

Ahemmm!

He wants to be  
treated, so...  
good night!

Good  
night, too!

What's this thing?

What's that?

A knife. Use it to defend yourself.

"The right knife" is written on surface.

It's -

I am going on a trip to study some more weapons.

With your hand?

No, only words will go.

What's this? You mean the girl with that hair?

Yes, Harumi Gensai. Her words seem to be a professional teacher.

"Harumi Gensai" seems to be her nickname.

Her most common is right. A right knife is a good one of a person.

Doesn't it  
in this Kang  
You think  
doing?

he will spend a night  
to look after yourself  
and don't forget the bulls.

What if You Don  
will be spending a night?

I will be there soon  
enough that you won't  
worry. I will go  
Make sure you look  
after yourself  
I will spend you after  
I return.

- Okay

Good  
night -

Night

I am here  
you know

in Gwangju school was  
why I stopped him  
from speaking  
His words were  
when I told him that  
those two were friends -

He jumped up and  
down. He insisted  
that I must tell him.  
But I told him that  
his friendship is on a  
higher ground than  
that of the normal

Just because I  
didn't see him for  
a day, I was  
home already

Come back soon,  
Mom Run Gyo

I am really sorry...  
I mean it.

I won't bother  
you personally  
again. I am sorry  
if I offended you.

What are  
they talking  
about?

I can make  
Anna, right?

Yes, of course.  
Are you interested  
at the practice  
ledge.

Yeah,  
practice  
alright?

And stop  
thinking about  
me.

*If I paid a little  
more attention...  
I could have realized  
that Je Gwang was  
lying because of his  
dark face...*

*However, I was in a  
good mood because  
of Sun Gye, so I failed  
to notice.*
